Creating a SAFE and FUN swim environment is our #1 concern team members may enroll at the pool following their tryout on April 30th If enrolled prior to tryouts, those that cannot meet swim requirements, due to safety, will be referred to Skyview Swim Lessons.

Strokes used in competition are front crawl, back crawl, breaststroke, and butterfly.

This program is for advanced swimmers! Coaches must concentrate on refining speed and endurance rather than teaching stroke mechanics.

Practice sessions include:

- Stretching
- Starts and turns
- Safety topics
- Intensive swimming

Home and away meets are scheduled throughout the season but are not mandatory.

Meet sign up for team members is available at the pool.

Rec ID Card and program enrollment required.

Registration Begins April 2nd. Registration space is limited so register early!
